Description: The purpose of this Spanish class is to build the necessary skills to communicate and interact with people speaking this language which includes studying their rich culture. Since conversing in the language is the main emphasis, the in-class activities, homework and exams will center around this goal.

Personal information: Married to Rick with 3 children – all graduated from 12 years of homeschooling. I received my Bachelor of Arts in Education/Spanish from the University of Central Oklahoma and have a teaching certificate from the State of Oklahoma in Spanish, History and English.
