

## **STEM Class**

Teacher: Melody Warren

[melody@rmmdse.com](mailto:melody@rmmdse.com)

Grades: 4-8

This class will be all about problem solving and teamwork! We will incorporate age-appropriate, fun science and math concepts into each week's STEM project. Students will work in groups to brainstorm, predict, design, create, and edit. With each project, students will predict the outcome and document the process. This will be a "get your brain juices flowing" adventure with **Science, Technology, Engineering, and Mathematics!**

### Supply List:

- \* Three ring binder, ½ inch
- \* Pencils
- \* Green folder
- \* Popsicle sticks, 50 count
- \* Rubberbands, 50 count
- \* Index cards, 100 count
