Course Description:

This course will focus on solving and graphing linear, quadratic and rational equations, inequalities, and functions. This course will meet the prerequisite requirements for Geometry and/or Algebra II.

Prerequisite:

- Pre-Algebra

Workload:

- 3-4 assignments weekly
- 45-60 minutes each day for completion of assignments
- Daily grading of assignments by parents (using a highlighting system)
- Student's corrections of daily assignments with final grade highlighted in Blue. Assignments placed in numerical order in the turn-in binder.
- Possible quizzes on certain weeks administered and signed by parents
- Chapter Tests administered and signed by parents

Extra Help:

- Help Sessions available Tuesday and Thursday from 10-12pm. Or by appointment.
- Additional help online: Videos at YouTube and Khan Academy
