- State of Oklahoma Teacher Certification

- middle level mathematics ○ pre-algebra
- Intermediate Algebra

Course Description

The first semester of this course introduces and explores key principles of economics from household purchases to the stock market. Students will also learn about issues related to national economic systems and policies. The second semester we will cover personal finance skills taught by Dave Ramsey's Financial Peace University. Each of the 12 chapters in the text covers important aspects of finance that will build confidence and inspire dreams in your students' lives.
