

Foundations of Math

Mrs. Michelle O'Hair
jmohair@hotmail.com

Teacher:

- Bachelor of Science in Elementary Education with a Math Endorsement, Southern Nazarene University
- Former Putnam City Teacher
- EXCEL teacher since 2011

Tuition:

- \$40 per month
- \$20 one time fee for supplies and resources

Textbook:

- No textbook. Teacher will supply all needed resources. Resource fee is \$20/year

Supplies:

- Three-ring hardback binder
- Notebook paper
- Pencils

Description:

This course will help students solidify their basic math skills so that their foundation in math is strong going into their future math classes. Basic math concepts including addition, subtraction, multiplication and division will be our top priority. Throughout the year, we will continue to build on these four basic operations. We will use these operations to learn decimals, fractions and more.

Prerequisite:

- Students must be in at least 5th-6th grade, but any age is accepted if basic math skills need to be sharpened and improved upon

Workload:

- 3-5 assignments each week
- 30 min daily work to complete assignments
- Weekly assignments graded by parents
