

Course: Advanced Art

Instructor contact: Charlotte Strickland | charlottor3@gmail.com

Tuition: \$50 per student, per month

Grades 7-12

Course description:

This course is recommended for artists wanting to ultimately hone skills for future endeavors. Students will bring their preferred medium(s) and surfaces, and will work on their choice of subject matter. The course instructor will come alongside the student and give corrections, examples as well as demonstrations. Students will learn reference painting/drawing techniques used by old masters.

Mediums include but may not be limited to:

Pencil | Colored Pencil | Charcoal | Pastels | Acrylic Paint | Watercolor Paint

Supply Fee: No supply fee (supplies will be provided by student)

Requirements: Must consult instructor for sign-up eligibility.

Instructor Information:

Charlotte Strickland was homeschooled by parents Rick and Debbie Moore and later took on a four year apprenticeship by local artist Dennis Parker. She has instructed art classes through a homeschool co-op as well as private art lessons to elementary through high school aged students. Teaching students to express themselves creatively through art is a fun and rewarding process that Charlotte has been passionate about for many years.

Grading will be based on student participation/effort and will be given at the end of the school year. Course information subject to change at any time.
