

## ENRICHMENT

Students 4<sup>th</sup>-12<sup>th</sup> grade

**Class Description:** This class is designed to help our students with many different practical areas of their lives. They will learn but also have lots of fun while doing so. There will be activities that promote character, leadership development, movement, collaboration and team building. This will also include interaction with each instructor/speaker.

Each week the topic of this class will change—here is an example:

**First Monday of the month:** Cooking/Etiquette, etc.

**Second Monday of the month:** Careers—people come in to discuss their career, do mock interviews, etc.

**Third Monday of the month:** Life Skills and Personal Finance—i.e. how to change a tire, change oil, balance a checkbook, etc.

**Fourth Monday of the month:** Outdoor Adventures—Archery, dog training, survival skills, gardening, bee keeping, etc.

**Tuition:** \$45 per month payable to Excel for class supplies and fees

**NOTE:** Each student needs to come to class with a 3-ring binder, 4 dividers, paper, pen or pencil for note-taking

**Fieldtrips:** TBA
